

## Shop Smart. Shop Green.

Sure, you've come to rely upon Post-it® Notes & Easel products for fast and effective communications. But now you can count on the fact that they are SFI® (Sustainable Forestry Initiative®) Chain-of-Custody Certified. So you can shop for Post-it® Notes & Easel products and make your life easier and better, both for today and for future generations. Post-it® Recycled Notes and Easel Pads, made from a minimum of 30% postconsumer content, are also recyclable! Check out my greener solution product recommendations below. Download my list to keep handy and make an in-store stop to a local retailer/supplier near you or visit a retailer/supplier website and shop online.
